Inert Ingredients: 77%

Water, Sodium Citrate.

Total Ingredients: 100%

This product has not been registered by the United States Environmental Protection Agency. Agro Research International represents that this product qualifies for exemption from registration under FIFRA.

DIRECTIONS FOR USE:

Apply foliarly at a rate of 0.25% (1 pint/50 gallons water) to 0.5% with water (1 quart/50 gallons water). Repeat as needed depending on disease pressure every 7 to 15 days.

A sticker surfactant is recommended when anticipating a rain event. Do not apply on wet leaves.

Turf Guard is tank mixable but always perform a compatibility jar test prior to use.

PRECAUTIONS:

Avoid getting in eyes or on skin. The use of side shield safety glasses and gloves is recommended. Harmful if swallowed. Avoid contact with eyes, skin and clothing. If on skin, remove contaminated clothing. Wash with large amounts of soap and water. If in eyes, rinse repeatedly with clean water for 15 minutes. If irritation persists obtain medical attention.

CONTAINER DISPOSAL:

Dispose of waste material in accordance with federal, state and local environmental laws and regulations.

STORAGE:

Keep container sealed tightly when not in use. Keep product in a cool location away from direct sunlight. Store in temperatures between 5° C (41° F) and 25° C (77° F).

DISCLAIMER:

It is recommended not to use this product with fungicides or pesticides. However, if applied with a fungicide or pesticide, it is the user's responsibility to conduct a trial application on the turf to be sprayed with this mix of chemicals to determine compatibility of products and compatibility with turf sprayed. When mixing with other spray materials a jar compatibility test is recommended.

Always read label instructions.

CONDITIONS OF SALE:

Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on the label when used in accordance with directions under normal use conditions. Crop Injury, product use ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Seller and distributor. In no case shall seller or it's be liable for consequential, special or indirect damages resulting from the use, handling, or shipping of this product.
